

Why Buy Practical Parent Education Instead of Another Program?

- ❖ PPE can be customized for your community's needs. Facilitators learn to use over 50 lesson plans along with 150+ *Parenting Quick Tip* topics during the PPE Initial Parent Educator training.
- ❖ 2 days of interactive PPE training is limited to 24 participants per session so that everyone can focus on his/her specific program needs.
- ❖ PPE serves families with children birth through college age, eliminating the need to purchase different programs for each developmental stage.
- ❖ PPE provides both prevention programs and intervention programs.
- ❖ PPE is cost effective.
- ❖ PPE's focus is:
 - ◆ Best practices supported by research
 - ◆ Family systems as the key to change
 - ◆ Child development theory letting parents know what is typical for each age and stage
