

Next Steps Training
Speaking Out: Facilitating Extraordinary PPE Workshops

Dr. Cynthia Small, Presenter
Registration Form

Description of Training: If you are a parent educator and wish to take your PPE workshops to the next level, this session is designed just for you! Attendees will discover 5 Checkpoints for facilitators and a variety of best practices for engaging families in a participant-friendly learning environment. Parent Educators and trainers attending this 4-hour session will receive a copy of the presenter's book, *Speaking Out*, and a training workbook that includes cool icebreakers, energizers, a facilitator's compass and much more. Join us for this exciting learning journey and receive tips and tools for leading extraordinary sessions with adult learners in mind. Don't delay – Register today!
