

Next Steps Training: Speaking Out – Facilitating PPE Workshops
Registration Form

Description of Training: If you are a trainer in any content area and wish to take your workshops to the next level, this session is designed just for you! Attendees will participate in a fun learning journey to discover principles of adult leaning and best practices for creating sessions that are participant-friendly, engaging, and lots of fun.

Parent Educators and trainers attending this 4-hour session will receive a copy of the presenter’s book, *Speaking Out*, along with a variety of cool icebreakers, energizers, and teambuilding games. Register today to attend this exciting online experience and receive tips and tools to facilitate powerful sessions with confidence, creative style, and pizzazz.

Dates of Training: **Friday, October 8, 2021**
